MEET A SCIENTOLOGIST FINDS ADVENTURE AND FUN WITH BENJAMIN NAGENGAST

Los Angeles, CA – October 24, 2018 – Scientology Network’s MEET A SCIENTOLOGIST, the weekly series spotlighting the everyday lives of Scientologists from around the world and all walks of life, announces a new episode featuring adventure park entrepreneur, *Benjamin Nagengast*, premiering October 30, 2018.

MEET A SCIENTOLOGIST airs Tuesdays at 8 p.m. ET/PT on Scientology Network.

Benjamin Nagengast is living his dream by helping people have fun. From zip lining to tree-hopping to paint balling, the young entrepreneur has turned his passion for play and adventure into a successful business.

ABOUT BENJAMIN NAGENGAST

Benjamin Nagengast has been a serial entrepreneur since he was a kid running a pumpkin patch business in Anderson, Indiana. Now, he’s the CEO of Point Summit, a company that operates five adventure parks in Indiana and Florida, with a sixth one in the works. Each year, his expertly-planned, efficiently-operated attractions—White River Paint Ball, Indy Scream Park, White River Zip Lines, TreeHoppers Aerial Adventure and Scream-A-Geddon—draw tens of thousands of visitors. Benjamin is living proof that good fun can also be good business.

The Scientology Network debuted on March 12, 2018. Since launching, the Scientology Network has been viewed in 237 countries and territories worldwide in 17 languages. Satisfying the curiosity of people about Scientology, the network takes viewers across six continents, spotlighting the everyday lives of Scientologists; showing the Church as a global organization; and presenting its social betterment programs that have touched the lives of

millions worldwide. The network also showcases documentaries by Independent filmmakers who represent a cross section of cultures and faiths, but share a common purpose of uplifting communities.

Broadcast from Scientology Media Productions, the Church's global media center in Los Angeles, the Scientology Network can be streamed at scientology.tv and is available through satellite television, mobile apps and via the Roku, Amazon Fire and Apple TV platforms.
