MEET A SCIENTOLOGIST REVS UP WITH DOC WONG

Los Angeles, CA – October 31, 2018 – Scientology Network’s MEET A SCIENTOLOGIST, the weekly series spotlighting the everyday lives of Scientologists from around the world and all walks of life, announces a new episode featuring chiropractor and motorcycle safety instructor, *Doc Wong*, premiering November 6, 2018.

MEET A SCIENTOLOGIST airs Tuesdays at 8 p.m. ET/PT on Scientology Network.

Harry “Doc” Wong is a Bay Area motorcycle-riding chiropractor who’s attained celebrity status among motorcycle enthusiasts as the man who turned his passion for riding blazing-fast motorcycles into a series of courses that have equipped thousands with the necessary skills to ride safely.

ABOUT HARRY “DOC” WONG

Harry “Doc” Wong was born in San Francisco, the son of Chinese immigrants. Always one for adventure, he was just a teenager when he took his first spin on a motorcycle. Even though it ended in a crash, it was love at first ride. He nurtured his need for speed through his school years, riding motorcycles and collecting more than a few tickets. Harry grew up to become a chiropractor, and along the way he learned to temper his love of speed with a respect for safety. Concerned that unskilled motorcycle enthusiasts were in danger of injuring themselves, he started Doc Wong Riding Clinics. For 25 years, he’s been helping to keep riders safe, delivering over 1,000 seminars, workshops and clinics, instilling new skills and confidence to some 50,000 participants.

The Scientology Network debuted on March 12, 2018. Since launching, the Scientology Network has been viewed in 237 countries and territories worldwide in 17 languages. Satisfying the curiosity of people about Scientology, the network takes viewers across six continents, spotlighting the
