MEET A SCIENTOLOGIST HITS NEW HEIGHTS WITH LARS NAJBBERG

Los Angeles, CA – December 26, 2018 – Scientology Network’s MEET A SCIENTOLOGIST, the weekly series spotlighting the everyday lives of Scientologists from around the world and all walks of life, announces a new episode featuring award-winning stunt pilot *Lars Najbjerg*, premiering January 1, 2019.

MEET A SCIENTOLOGIST airs Tuesdays at 8 p.m. ET/PT on Scientology Network.

As a boy, Lars Najbjerg always knew he was destined to take to the skies. Today, the former elite fighter pilot and champion aerobatics flyer is living his dream—constantly redefining it by pushing the limits of what he can do.

ABOUT LARS NAJBBERG

Lars Najbjerg fell in love with flying in his teenage years. At the age of 19, he enlisted in the Danish Royal Air Force and became one of only five pilots that year to make it through the full screening process. He then earned a coveted spot in NATO flight training school in Texas and spent nearly 10 years safeguarding the skies for the military before becoming a commercial pilot. Today, he’s licensed to take to the skies in any class of plane and especially loves the freedom he experiences with his personal passion: aerobatics. Performing death-defying flying stunts and maneuvers in a succession of aerobatics competitions, Lars was crowned the Nordic Aerobatic Champion in 2013. While his head is often in the clouds, his skills are so fine-tuned that no matter how many stunts he pulls or spins he executes, he always lands safely.
